Brief plot summary of Much Ado About Nothing

There are two love stories in this fast-moving comedy. Brave young Claudio and Leonato's pretty daughter Hero are in love and want to marry, but Don John has a wicked plan to stop their wedding. Will he succeed, or will the truth come out? Will Claudio and Hero marry, after all?

Beatrice and Benedick are always arguing with each other, but how do they really feel? Perhaps they are more interested in each other than they seem to be! Their friends work hard to bring them closer together.
